# STARLIT WISCONSIN THEATERS

Laugh, gasp and maybe even shed a tear at one of these Wisconsin theaters under the stars.

Head “up the hill” to a classic amphitheater tucked into the rugged Baraboo bluffs to take in some Shakespearean magic by Spring Green’s internationally renowned American Players Theatre. Or, consider the Bayfield-based Lake Superior Big Top Chautauqua at the top of the state for original musical productions in a massive tent theater.

More best bets abound in Wisconsin’s incomparable Door County, with Northern Sky Theater and Peninsula Players Theatre offering everything from Greek tragedy to British farce to Wisconsin originals.
